

THE "GUN" OF GRAND RAPIDS

SECTIONAL BOOK CASES

THE RIGHT SIZE NOW AND ALWAYS

COYNE FURNITURE COMPANY, LTD.
HONOLULU.

Roller-bearing, non-binding doors, removable (to clean or replace broken glass) by simply unhooking. No unsightly iron bands or protruding shelves. Sections so nicely joined together the appearance is that of a solid case. The only sectional book-case entitled to use the trademark of the Grand Rapids Furniture Association, which means the best.

We are agents for the GUN PATENT SECTIONAL BOOK-CASE, and shall be pleased to show and explain the workings of the perfect system.

ADDRESSED VETERANS

A Decoration Day Service for Old Warriors.

Stirring Address at the Methodist Church by Pastor.

Rev. Mr. Kincaid Talks of "Citizenship" at the Central Union Church.

The Decoration Day service held last evening at the Methodist church by Rev. George L. Pearson was largely attended by members of the Grand Army and Spanish War Veterans, officers of the National Guard and representatives from Camp McKinley, as well as citizens. A special program of music was rendered, among the numbers being a chorus, "Decoration Day," and a vocal solo "Jerusalem," rendered by Miss Coolidge which was given by special request.

Rev. Mr. Pearson delivered a stirring address, his theme being "In Memoriam—American Heroes." He said, in opening, that righteousness of character that shows itself in true manliness is ever appreciated. It has its own true place, its sure moral worth. It honors him who has it and those who claim his friendship. In fact that the whole brotherhood of man is honored by the righteous man. The memory of such gracious characters is like precious ointment poured forth.

The speaker said that in holding in loving memory the true and the brave we give our testimony to the real worth of goodness.

"We meet tonight," he said, "to honor men whom it becomes our duty and pleasure to hold in remembrance, the soldiers of the 60's and with them the soldiers of all our nation's wars, who have given and preserved to us a country, strong, glorious and righteous. Eliminating the incidents of the weary campaign and terrible battle, which things are especially for the participants and contemporary history, we may look at the great principles of thought and action which were formed in the strife. We may find in the first place that we may hold the soldiers of the 60's in precious memory."

"The Spanish War was a war for humanity. Our brothers near our doors had long suffered the most cruel of barbarities. History will state that no war was begun before with so magnanimous and unselfish a purpose. America has ever been exceeding fortunate and highly honored by the high character, the intense loyalty and the signal ability of her army and navy. What an illustrious list of honored names! But the record is not one of leaders only. To her small but well trained and efficient army America has ever been able to add a great citizen force which has ever lent honor and helped in our successes."

AT CENTRAL UNION.

The patriotic service at Central Union last evening filled the large auditorium and balcony of the church. The service was commemorative of Memorial Day, the music being patriotic in its nature. In addition to the usual hymns, Mrs. Annis Montague Turner sang the "Star Spangled Banner." Rev. W. M. Kincaid delivered a short address on "Citizenship." He said that the good citizen was generally a good man. What determined citizenship in his opinion, was character, moral integrity and manhood.

AT OAHU PRISON.

A religious service which partook of the patriotic character, while at the same time in the nature of a farewell meeting took place at Oahu Prison yesterday afternoon, when a large number of prisoners gathered under the kamani tree in the jail yard and celebrated Decoration Day and incidentally said good-bye to Miss Coolidge, who is about to depart for the mainland. Miss Coolidge has, for many months, been one of the faithful Christian workers at the prison and acted as organist at the Sunday morning services, and thus it was that on her last Sunday, an elaborate program had been prepared by the prisoners as a slight mark of their appreciation for her efforts in their behalf.

The services began at 2:30 by the singing of the hymn "God Bless Our Native Land" by the congregation, after which all joined in reciting the 23rd psalm. Mr. John M. Martin offered prayer and the Oahu Prison Glee Club rendered the famous jubilee song "Angel of Peace."

Evangelist Hamilton and Mr. Wilkinson both contributed to the program.

Mohican Ball Players Are Sore.

The ball team of the training ship Mohican is feeling very blue because they failed to arrange for another game with the team of the cruiser New York. The Mohicans have won from every ship in the squadron excepting the New York and claim that they could have defeated the New Yorks had not men of the local Marines team, according to the allegations of Mohican men, been played in the cruiser's team.

DICKEY IS STILL JUDGE

Atkinson Asks Him to Remain Another Month.

Hon. Lyle A. Dickey will remain a judge for still another month. Judge Dickey's resignation was requested several months ago by Governor Carter in order to reduce the expenses of the district court but the magistrate very courteously but firmly declined to accede to the demand. He offered, however, to resign at the end of the current fiscal year if the legislature saw fit to cut out the appropriation for more than one district magistrate in Honolulu. The legislature did that very thing and Judge Dickey was to have stepped out at the end of May.

Acting Governor Atkinson has now requested that Judge Dickey continue in office until July 1st, in order to close up the business of the district court. There are a number of orders and cases continued which will occupy the time of the second judge for another month, so that the acting governor deemed it policy to continue him in office until July 1st. After that date the appropriation is for only one district magistrate for Honolulu. Under the present arrangement the salary of the district magistrates is divided so that Judge Dickey and Judge Lindsay each receive equal amounts, although the law provides \$3,000 a year for the first judge and \$1800 for the second judge.

CHILDREN'S DAY AT CENTRAL UNION

The Children's Day at Central Union Church yesterday was largely attended. The organ prelude was played by Dr. R. W. Anderson. This was followed by the congregation and Bible School singing the hymn, "Savior, Like a Shepherd, Lead Us," the Bible School also singing "Remember Thy Creator." Prayer was offered by W. A. Bowen and the Bible School followed with the hymn, "Come With Singing." The infant department sang "Little Friends of Jesus," and Logan Scroggy recited the "Children's Day." The exercise entitled "Praise God," was presented by Alfred Wilkinson, Edith Harrison, Wm. Karatti, Alfred Larson, Gwendolin Mossman, Julien Ronan, Jessie Cutting and Elmer Crozier.

The song, "Daisies, What Do You Say," was rendered by the Primary Department, and Marjory Cutting recited "Trust." Other recitations, entitled "Just Smile," by Morris Augur, and "Every One of You," by Juliette Atherton, were given. The recitation, "Flowers for Thoughts," was by Helen Peterson, Martha Bergerson, Hazel Gear, Violet Austin, Pearl McAdams, Florence Hendrickson, Eva Mossman, Evangeline Rowat, Clara Smith and Edna Henry. "Your Words" was recited by Marguerite Creighton. An address on the "Responsibilities of the Teacher" was also given.

The particularly striking feature of James J. Hill's gift of over a million dollars to the Roman Catholic cathedral of St. Paul, Minn., is that Mr. Hill is himself a Protestant. No similar gift to the church of Rome, doubtless, has been recorded since the great schism resulting in Protestantism.

Special Values in WHITE LAWN and LINEN Shirt Waists

Waists made of fine quality White Lawn, deep tucked yoke, front and back with bertha of lawn, trimmed with two rows of valencienne insertion and edged with same; fancy tab collar.

ON SALE THIS WEEK \$1.50.

THE NEW FRENCH REMEDY: THERAPION. This powerful remedy, used in the Continental Hospitals by Ricord, Simon, Robert, Velpeau, and others, combined all the desiderata to be sought in a medicine of the kind and surpasses everything hitherto employed. THERAPION No. 1 maintains the work of the kidneys, purifies the blood, and restores the vitality of the system. THERAPION No. 2 fortifies the blood, purifies, purges, spots, blotches, pains and swelling of joints, rheumatism, & all diseases for which it has been too much a fashion to employ mercury, arsenic, &c., to the destruction of suffering, teeth and ruin of health. This preparation purifies the whole system through the blood, and thoroughly eliminates all poisonous matter from the body. THERAPION No. 3 for exhaustion, sleeplessness, and all distressing consequences of dissipation, worry, overwork, &c. It possesses surprising power in restoring strength and vigor to those suffering from the enervating influence of long residence in hot, unhealthy climates. THERAPION is sold by the principal chemists and druggists throughout the world. Price in England, 2s. 6d. and 4s. 6d. In order to state which of the three numbers is required, and observe that the word "THERAPION" appears on the British Government Stamp (a white letter on a red ground) affixed to every genuine package by order of His Majesty's Royal Commissioner, and without which it is a forgery.

Saturdays—9 a. m. to 9 p. m.

SPORTS HORSES IN TRAINING AT TRACK

As the day for Honolulu's annual race meet approaches—June 11—the Kapiolani Park race track becomes more, and more animated with the appearance of good horse flesh in daily try-outs. Men who have watched the racers out on the track assert that the coming race meet will be one of the best presented to the public.

Among those animals which have attracted the attention of the railbirds, is Quinn's Cyclone, which yesterday made a mile in 2:08. Cyclone is in the hands of Dickey Davis and much is expected of him.

Jim Quinn is looking after Sambo and has hope of making one of the best races ever seen here when the latter runs against Cyclone.

Paul Isenberg is training a Hawaiian bred horse known as Creole. The animal has been only two months in training, but recently sped over the course in 2:20 1/4. This is considered an enviable record. The horse will go in the 2:30 class against Dennis Haley and Oak Grove, and will also enter the race for Hawaiian bred. Isenberg also has a horse at the track known as Thelma which has gone in 2:19 1/4.

Among the runners is Willie Lucas' Racine Murphy. Rourke already has six horses at the track and will have four more here from Hilo next Saturday.

The races this year will be novel in that all races will be more evenly matched than before. There is new blood right through the list.

YACHTS START FOR HOME

The squadron of yachts of the Hawaii Yacht Club left Haleiwa yesterday afternoon at 2 o'clock. The Spray departed half an hour before the main body of vessels, and bore away with a good wind. With good wind during the night the yachtsmen expect to arrive at Honolulu at daybreak this morning.

Eighty-two people sat down to the luau given at Haleiwa hotel on Saturday evening. This number included the crews of the yachts and their friends who went to the hotel by train, as well as a large number of other guests at Haleiwa. Following the luau, dancing was the order of the evening and this pleasure was continued until after midnight.

There were ninety-one people for lunch yesterday and Manager Church was having the time of his life in looking after his wards. So great has been the crush at the hotel for over-Sunday guests that rooms had to be engaged outside and the old Seaside Hotel is also being used to house newcomers.

MANAGER RENTON'S YACHT BUILDING

Manager Geo. F. Renton of Ewa Plantation will soon surprise the yachting fraternity with a brand new yacht on the Gladys model, which he is now building at the plantation. The hull is practically finished, but for caulking and attaching the keel ingot weighing 3500 pounds.

The yacht is 32.6 feet in length and has a 9 foot beam. She is a solidly built craft, and although she may not be designed especially for racing, yet the fleet of the Hawaii Yacht Club may look for some exciting contests when the new boat spreads her canvas.

Capt. Dower laid out the boat. She has graceful lines, is roomy and the inside bracing has been most carefully built in.

Hilo Horses Coming.

When the Kinau arrives next Saturday she will bring four race horses from Hilo to take part in the June 11 meet. Among the horses will be Gypsy Princess, owned by J. Rourke; So-so, owned by W. G. Walker; Phillips, owned by Mr. Brugherli and Frank S., owned by Mr. Costerdyke.

Beer must be pure

to be good; must be brewed only from the best materials; must be scientifically filtered, thoroughly aged, bottled at the brewery and sterilized after bottling. It must always be shipped in the bottle, for beer shipped in bulk and bottled at supply depots is sure to absorb impurities.

The Famous **A.B.C. Beers** are guaranteed absolutely pure and free from all preservatives and chemicals

used in other brands of bottled beers, which are injurious to the health. They are never sold in bulk—are the only beers bottled exclusively at the brewery. Made from the finest Bohemian hops, they are aged for months, then filtered and piped direct from the brewery vaults into bottles by means of hermetically closed filling machines. This prevents the beer from coming in contact with the outside air, and insures absolute freedom from bacteria. It also preserves its natural effervescence and zest.

Six Points of A.B.C. Excellence

- 1—Purity. We absolutely guarantee the purity of all our beers.
- 2—Flavor. This is the distinctive, individual characteristic of any beverage, peculiar to it alone, and is the quality that has made A. B. C. Bohemian Beer famous.
- 3—Brilliance, clearness and polish, proving perfect brewing and fermentation.
- 4—Clean Taste. No disagreeable foreign or aftertaste, proving scrupulous cleanliness during brewing process.
- 5—Keeping Quality. The most trying test for bottled beer. A. B. C. Bohemian will keep and retain all of its qualities under varying conditions.
- 6—Solid, Creamy Foam, denoting body age and excellence of brewing materials.
